WHERE

BECAUSE
I FELT

WE IS THIS

MR. FLORTING

EPISODE.02

Pressing straight
through, across
the middle of this
country, is the
rainbow stone
train.

The country
we live in is
both real
and flat.

ONCE AGAIN,
LET'S WORK
TOGETHER
FOR THE
WEEK UNTIL
THE EASTERN
SESSION,
STARTING
TODAY!

WELL
THEN,
LET'S
START
TODAY'S
MEETING
!

END OF
ROLL-CALL,
ALL
MEMBER'S
PRESENT.

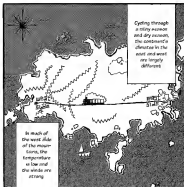

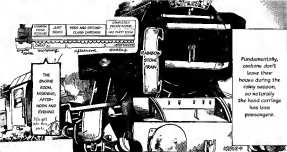

That's why,
in the third
months of
the rainy
season,
the western
region
snows.

Cycling through
a tiny nation
and dry season,
the continent's
climate in the
east and west
are largely
different.

In much of
the west side
of the major
lands, the
temperature
is low and
the winds are
strong.

Fundamentally, civilians don't leave their houses during the rainy season, so naturally the head carriage has lots of passengers.

CURRENTLY A BUZZARD

8 (intense placement with one)

You're putting too much strength into the brush.

Ash:

No wonder.

If you're not a little gentler, you'll break the finer parts of the craftsmanship.

I'M A PROPER CREW MEMBER OF MORNING!!

YOU'RE WRONG!!!

HE'S AN AFFECTION.

...

What was with that guy?

I think that's a great thing.

Do your best.

When it comes to work, Morning is rather tasteless, but overly entertaining.

Mr Morning Volume 1 Chapter 2: Part 1

Scanned by Lucy @ <http://kaining-hellum.livejournal.com>

If I'm
wrong,
show me
the jewel!

Now?
This
instant!

WAIT ONE
MOMENT!

Hey now,
isn't this
bad?

...well?
Am I
wrong?

Or did you
want the
jewel and
look it on
purpose?

I will take
responsibility
regarding this
matter and keep
you updated,
so please wait
temporarily in
the hall

My
apologies
to every-
one here

I have
no worries
now that
you're
here

Oh, well,
I'll leave it
to you.

Yeah?

Yeah?

Bring
fresh
meals to
the hall

Don't just
stand there,
break into
guiding and
searching!

As I will hear
the details
of the story in
another room,
the young lady
will come with
me.

Guide
the other
guests to
the open
space hall

Hey, Baker.
Be honest,
you took it,
right?

This is
hopeless.
he's got
nothing
on him.

How
stupid.

If I felt
like stealing
it, I wouldn't
possibly do it
with so many
eyes watch-
ing me.

As long as
the jewel is left
unfound, both
an apology or
explanation will
be meaning-
less.

In order
for the lord
to save face,
Baker will have
no option but
to resign.

Won't you
stop?

WHAT, YOU
SOMELONE-- IN
AND HERE
I WAS
WORRYING
ABOUT
YOU!

The problem
lies in the
quest thinking
he did.

Right now
the problem
is not whether
Baker did or
did not take it.

"PUT A
STOP TO
FOUR POLICE
JAGGS AND
COME TO MY
RESIDENCE."

Every
time, she
said the
same
thing.

It was
just because
I was more
beautiful
than any
other.

But all
with the
jewelry
carried.

That
girl had an
interest
in me long
before.

Then
doesn't
she have
the
jewel?

It was
probably
unpleasant
to have her
advances
refused by
an enter-
tainer.

In all
probability,
it is the
princess's
charade.

Then—

There's
noway you
could act
so rudely,
is there?

And
even then,
you are
facing an
murderer.

The princess
who's insisting
she's the
victim?

Can
you
investigate
her?

It is
a trivial
occupation,
truly

....!

IT'S THE
SCIENCE
BUSINESS
THAT'S
JUST
NOW
IT IS

THE
WEIRD
ONES ARE
THEM!
NOT OUR
JOB!

WHAT'S
SO TRIVIAL
ABOUT A JOB
THAT MAKES
PEOPLE
HAPPY??

To sell
flattery to
people and
to earn their
high spirits

In exchange
for money
is...

THAT'S
NOT
TRUE!!

My lady,
Baker wants
to have a
word with you
in his private
room.

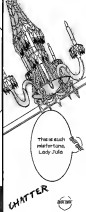

Cherry

Truly?

You really
can't trust
performers
for one
moment!

At the
very least he
should resign,
along with
whoever's in
charge.

There is such
misfortune,
Lady Julia.

CHATTER

Yes

I should
have
stayed in
the hall

The
chicks are
beginning
over in the
hall

Well now,
starting from
your coat
pockets.

Please
wait a
moment

Let's see
I may forgive
him if he gets
on his knees
before me...

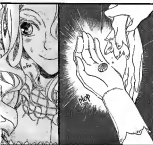

I wonder
what he
would want
now

NOW
RUDE!

It was
Sir Cherring's
proposal.
Please co-
operate

Currently,
out of concern,
those returning
to their private
rooms will have
their belongings
checked in.

Going
through
your
mind?

...Were
such
explicit
thoughts

It would
be best to
quickly leave
it away,
outside the
carriage.

In which
case the
deck, with
no eyes
open, it,
would be
most
suitable.

A
belongings
check in
the hall is
best.

Just while
I say that,
it appears you
can't go to the
private room
I'm in either.
There are
maneuvers
throughout
the carriage.

Baker
definitely
threw it
away
here!

You're
mistaken,
Father!
I just found
the jewel here
right now!

THAT'S NOT
POSSIBLE.

Julia?
A
girl like
you?

FATHER

...

would
you not try
to throw it
out of the
serraglio?

...!!

Before,
and since
some time ago,
he has been
brushing the
cold snow
away.

...The worker
here has been
working very
seriously.

His job is
to carefully
brush away
the snow, not
leaving a
trace.

Similar
to your
actions.

would
one leave
something
here trying
to hide some-
thing with
no where to
hide it?

UWAA
AAHH!
FATHER!!

I'M SO
SORRY!!

WAAH!!

U-
UGH!

PLOP PLOP

...I'M
SORRY.

WE OFFER
EVERYONE CARE,
CONSIDERATION
AND THE
MEMORIES OF
A PLEASANT
JOURNEY.

He gently
gave form...
to the fuzzy
feelings that
I couldn't
put into
words.

His voice,
quiet yet
still carrying
severity,
dropped
straight into
my heart.

...And for him
to slam the
situation's
case shut.

As
expected of
water.

Baker and
the Cher-

When
Baker, with
tears of

in his eyes,
was let off

But was it

destroyed
like that?

Whee!
What's with
all this people?
Isn't it awfully
crowded
today?

From here
on out, till the
Royal Capital,
you need
reservations,
so we've got
free time on
our hands

Ahh~
Don't worry
'bout it.
At any rate,
they're all
sightseers,
no one will be
boarding

Is there
something
to see?

In this way,

!

NEXT IS
TOWN!!

So what
is the
Round Duke's
"Transfer
to the Royal
Capital"?

EH!

whirr

The new Round
Duke is welcomed by
the Royal Capital's
imperial guards, and
advances to the
Royal Capital

MURMUR

Hey,
Wiseman.
You know
this guy?

It's been
a while since
we last met,
Vice Captain
of the Royal
Capital's Order
of Chivalry's
Ninth
Platoon.

hey
That
armor...

The older
brother of
that unse-
nable Miguel.
Nice to
meet you.

Ash,
how rude
of me.

I am
Robert
Wiseman.

If they're
elected, even
a female
can become
provincial
lord.

As is
customary,
a female
provincial lord
cannot go
out of line and
become the
Round Duke.

However,
it's a
different
story
becoming
the Round
Duke.

"Be
elected by those
that reside
on the land."

That is
the condi-
tion to be
elected to
be provin-
cial lord.

They go on
about customs
and traditions
and won't stand
for them
becoming
Round Duke.

The
further
up you go,
the more
stubborn old
men there
are.

For some-
thing to be
like that in
a time of
equality
between
sexes.

Seems that
captain's one
of them.

AND BE
PUNISHED...

...No, not
even that.
They may
say it was
a daft
scheme.

She may
be turned
away.

If the
Round Duke's
true nature
as a woman
is exposed,
forget being
taken to the
Royal
Capital.

As such,
with everyone's
utmost abilities,
please keep the
Captain away
from the Round
Duke's room.

If we get
there...

When we
reach the
Royal Capital,
the number of
her allies
will be high.

I WON'T
STAND
FOR THAT
KIND OF
DISCRIMI-
NATION!!

SCREECH

Well that
would be
the worst
case
scenario...

That's not it. I've come to talk to you personally.

Even without your concern, the crew members in Afternoon will detain your captain.

...

Miguel

You don't come home enough either.

Boo

Are these the words out of your mouth seeing your brother first time in a while?

Hey, hey

..Is there something you require?

..well, you don't want to talk to the cause?

Isn't it
about time
you quit
this job and
come back
home?

Those
guys are
just about
cooling down
as well, and
neither is
concerned

SLAM!
1/2

Quit?

You've
got to be
kidding
me!

I know
that the
surrounding
world will
always
carping on

You wasting!
Follow your
brother's
example!

And Father,
in particular,
could never
be quiet

**ON HIS
SIDE TOO.**

**SO
YOU'RE**

EEEEEEK!
FORGIVE
US!!!

Control
yourself!

I KNEW YOU WERE IDIOTS
BUT TO THINK YOU TWO WERE
THAT STUPID? AHA, I SEE.
IDIOTS HAVE TO DIE BEFORE
THEY CAN BE FIXED.

Wah!

So
it was
true?

You
really
were
a lady,
huh...
but...

who
is really
to believe

TOW

SHE'S
HUGE

A head
smaller than
me.

stare

On the
contrary,
it's actually
reassuring
if everybody
knows.

You should be ashamed!

What on earth
what about
me or you
is instructing,
isn't it you fool?

No matter
how much
effort one
seriously
puts in,
"stuff like
that" is
worthless.

There are
many people
that easily
get cut down and
discarded people
like that.

Just
because you
thought you
could challenge
them because
you wanted
to.

While the
individual may
have such pure
thoughts, those
surrounding you
may not see it
that way.

You have no
choice but to be
ready to have
no approval
from anyone.

Even
then, if
your deter-
mination
persists.

I'LL
CHEER
YOU
ON!!

Hey,
Wassman.
You've said
too much.

IF
THERE'S
SOMEONE
DOING HIS
VERY
BEST,

THERE'S
DEFINITELY
SOMEONE
OUT THERE
CHEERING
THEM ON!!

Even if
I don't get
the hard
stuff,

Someone's
watching
you try your
hardest.

So
they
say.

YOU
DEFINITELY

WON'T BE
ALONE!!

guys like
tha pop up
in the world
once in a
while too

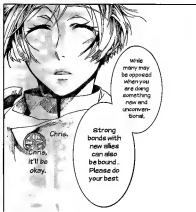

That's
why-
Whoa!

...
..well

But
in the
name of
"Chris,"
I swear
my
presence
may not
be reass-
uring.
You
have
me, and
I have
you.

While
many may
be opposed
when you
are doing
something
new and
unconven-
tional,

Strong

TRANSLATION NOTES:

ROUND DUNE "JARGONIAL" USES THE CHARACTERS FOR 'ROTARY' AND 'FEEDAGE', AND IS A PHRASE THAT APPEARS TO BE FROM THE HEIYEN PERIOD TO DESCRIBE A SCOTTISH LEADER-
SHIP SIMILAR AS TO WHAT IS IN THE SERIES. AS HIS MOTHERING IS SET IN AN ENGLISH-
SPEAKING COUNTRY, I CHOSE THE TERMS ROUND (FROM THE KALE) AND DUNE (A TITLE FOR
HARRY FEEDS).

ROUND ROBERT CALLS TOMY 'FOCHI', AN OVERLY COMMON JAPANESE DOG NAME.

ROYAL-CAPTOR'S ORDER OF CHIVALRY'S NINTH PLATOON
(ALSO THE ROYAL CAPITAL'S IMPERIAL GUARDS)

FROM AMONG THE PLATOONS OF THE ENTIRE ARMY, THEY ARE
UNIQUE FOR BEING TITLED AS THE ROUND DUNE'S PRIVATE ARMY.
• COMPARED TO OTHER PLATOONS, THEY HAVE STRONG DECORATIVE
• IMPLICATIONS, THE ORGANIZATION'S GROUP MEMBERS THEMSELVES
• SELECTED FROM RELATIVELY AFFLUENT PERSONAL FAMILY CLANS OR
• CENTRAL ARISTOCRATIC HOUSEHOLDS.
• THEIR MILITARY UNIFORM IS ALSO DIFFERENT, WITH ITS STYLE
• BELONGING TO THE IMPERIAL GUARDS.
• THEIR PARADES IN SUITS OF ARMOUR, ITS VESTIGES RETAINED FROM
MEDAEVAL TIMES, ARE BECOMING A KEY SHORTCUTTING PRACTICE.
HOWEVER, THERE IS THE SECOND SENSE THAT THOSE IN THE NINTH

EPISODE.05

After many years of mining, the output of Rainbow Stones is diminishing.

While it is powered by natural resources, called Rainbow Stones and Light Water, particular to this country,

The "Rainbow Stone Train."

The steam locomotive that crosses the continent while spouting rainbow-coloured smoke.

However, why is the train under the jurisdiction of military authorities?

There also seems to be the situation of a portion of the operating expenses coming from war expenditures.

I think that it is natural for the country to be protecting and managing it.

Therefore, the Rainbow Stone Train is an important tourist attraction for this country.

There's no need to pay attention to it while you are so busy, Round Duke.

It has been tradition for many years.

There's no particular reason.

.. Ngh..

"DON'T TRY UNNECESSARILY"

...Hm.
Really.

That's a
problem.

I've got my
subordinates

out for those

GOOD

My name
is Jeanne

It is good
to meet
you, little

Yes that's

Jeanne

Miguel,

this is my
fiancee..

PLEASE

OH MY!

So aren't we taking the train to go to the neighbouring city especially so that we could greet my brother?

You are accompanying me, your fiancé

But Jeanne?

PLEASE DON'T GRASP MY HAND WITHOUT WARNING.

HAHAHA. SORRY, SORRY.

They don't fit

The fit isn't

They are friends!

I wonder if you could introduce your younger brother to me

My dear fiancé.

That's right.

HE'S A LITTLE STUBBORN, BUT HE'S A GOOD KID.

CERTAINLY!! THIS IS MY ADORABLE LITTLE BROTHER.

HIS NAME'S MIGUEL.

My
apologies.

As my
fiancee was
displaying so
much love for
his younger
brother,
I was feeling
jealous

Jeanne

chack

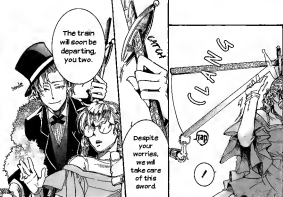

Fufu

With this,
I probably
won't be
assassinated
in my sleep
too easily.

But I am
relieved. As
expected of a
gentleman of
the Waisman
household.

SILENCE,
YOU

MAYBE
SHE LIKED

So much fuss
made about
that basket.

Have you
and your
mother-
no, have
you

properly
sent that
present?

That
brother's
fiancee,
huh

Another
outrageous
woman's
popped up

Heeewh.

Yup, she
kinda kept
staring and
gave me
a weird
feeling

And she
asked a lot
about my
mum.

And look,
I keep Mum's
scented
sachet on me
like this!

Yup!
I sent it
with a letter
attached

It should be
about time
it's reached
the village,
I think?

but she
made these
often since
way back.

Close to Mum's
workplace,
there seemed
to be the smell
of flowers.

Yup.

It's something like
taking the
place of an
ancestor.

A
scented
sachet,
huh.

During
winter, the
mountain
is closed
off by
snow,

so
during
the
season

I could
never
meet Mum.
But...

Our
village is
deep in the
recesses
of the
mountains.

and in
among those
mountains,
light water
can be
collected

But Mum is
working in a
research lab
that's on a
mountain
even further
away

It wasn't just pretty.

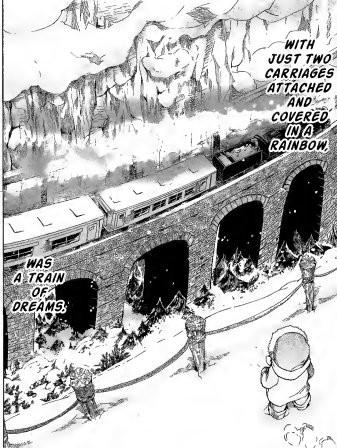

THUD

That train was loaded with post from the next station.

which letters from Mum could be found in, without fail.

WITH JUST TWO CARRIAGES ATTACHED AND COVERED IN A RAINBOW.

WAS A TRAIN OF DREAMS.

But even then, at the outskirts of the village, I could see with till two mountains away.

But my purpose

At first I went to see the mountain.

soon changed.

what I saw from that hill

The railway line's closed down now, but at that time

But
Wiseman's
here.

May-
I've
been
here.
I told
you
not
smoking?

Gi's
here.

What
don't
you
think
I'm
smoking
here?

It's definitely
lonely being apart
from Mum and the
village auntsies
and uncles.

I am
a people that
rainbow.

Right, your
voice sounds
like you're
being cut.

Neo

And
more, than
anything.

**LOVE IT
HERE SO
MUCH.**

This
won't end
with just
my threats.

Because
the military
authorities
are the most
supremely
powerful people
in this country,
after all.

OR
ELSE
THIS
TRAIN

MAY
DISAPPEAR.

SO PLEASE
PROMPTLY
FOLLOW OUR
ORDERS.

rustle

To go that
far, are you
saying that
the army is
serious?

Yes

Unfortunately,

The military
authorities
are already
getting
permission
to remove all
obstacles

buzz

If that
was all, it
would be
better.

I can't
say this
too
loudly.

buzz

buzz

But
according to
eye-witness
reports,

It seems
a man
was killed
somehow.

THEY SAY
THAT THE

They are reasonably priced day and night, with a course menu able to be eaten. The main meal is fish or meat, and other feasible selections.

They are doing their best with three cooks and four waitresses.

Within the Rainbow Stone Train, between the Evening and Afternoon carriage, there is a restaurant car.

Allowing a seating of twelve guests, morning consists of freshly baked croissants.

Thanks for waiting

Sorry for being late, but I am one of the waitresses here.

Today's dessert is Apple Souffle with Berry Sauce and Caramel Cake.

Both are amply garnished with seasonal fruits.

Our dessert of the day.

Afternoon consists of private rooms. The size varies from room to room, but fundamentally, beds are installed in the chairs, and made, ready to be used (After confirming empty rooms during the passenger's mealtime, the crew members split the work and do the beds.)

②

YOU'RE TELLING LIES.

You're just dipping work, aren't you?

Isn't your

Is it okay?
Not being on
standby.

Consequently, before and after the passengers' mealtimes, the crew members take turns to have their meals.

The sight of him sending his parents things. His electric farming tools on a big shed, and then running out of money, is a familiar sight.

TEH, NO GOOD?

This is Gil from Afternoon. He's a trivial guy but he's also unexpectedly wise of the world, and seems to have been working here and supporting his family since he was young.

Ufufufuuuah,
Sebastian, cut
me a bigger slice
of meat. If you

red wine to the
brim and
dessert will be a
hot cup of tea,

that's right, like
that! With force!

Until recently, I thought nothing of him
whatsoever, but recently I heard that he
is actually an **ARISTOCRAT** Aaaaah, my
dream of a celebrity lifestyle...

A large, spacious green lawned garden at
a white-walled, stately mansion.
With something like a large white dog as
company, I will summon for the dress-
maker to change my mind
on a custom-made dress, all while
having an elegant smile on my face!
Of course, for me, a chef, with pride in
his skills, will choose ingredients just for
me to prepare a full course.

WHAT IS IT WITH YOU, EACH AND EVERY DAY? IS IT FUN, NOT JUST CAUSING TROUBLE, BUT CAUSING TROUBLE FOR THE CHILD?

Cammy, what's wrong?

Huh?

It's a mystery how you somehow get used to hearing that angry voice each and every day, to the point of somewhat being it.

Aaah, they're at it again. Wiseman's a bit too much.

WASH UP! STANDBY, STANDBY!

ARE YOU A CHILD IF

Translation Notes

Joanne Bartolo While she first speaks with very formal speech patterns when she meets Tony, her appearance at the end of the chapter has her speaking in quite a masculine and dominant tone.
